SHOOTS WOMAN AND THEN HIMSELF

(United Press Leased Wire.)
Los Angeles, Cal., June 4.—Driven to desperation by jealousy, Louis Kennelias, a Greek peddler, aged 45, stabbed Mrs. Minnie Connors to death before the eyes of her little son at her home today. He then fired a bullet from a revolver into his own breast and at the hospital where he was taken, the wound is said to be fatal.

The tragic end of the woman was prefaced by numerous threats on the part of Kennelias to kill her if she did not accept his attentions. Last night, seeing a strange man, a guest of the woman's father, at her home, the Greek smashed a window and yelled through the opening that he would kill her on the morrow.

Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—Eulis Bros. This remedy is for sale by Dr. Stone's drug store.
